Steve Strongman- Live at the MCC!

Date and Time: Friday, October 20 8:00 pm - 11:00 pm

Address: 333 King St.

Juno-Award-Winning Canadian Bluesman, Steve Strongman is a versatile talent, and a restless one.

By constantly pushing himself in new directions, he has kept himself vital. His talent is huge and impossible to miss, and it's matched by his staggering musical ambition- as guitar, singer-songwriter and vocalist. The same structures and progressions that animate blues and roots music can also choke the air out of it, smothering it in caricature and cliché. But Strongman is a subtle shape-shifter who manages to slip that trap without betraying the music he loves.

Throughout, he never sounds an inauthentic note or loses touch with the essence of the blues

With special guest, *canadian Singer-Songwriter Matt Playne to open the show!*
