Description:

Ontario's first European Community, Sainte-Marie among the Hurons was the headquarters for the French Jesuit Mission to the Huron-Wendat people. In 1639, the Jesuits, along with French lay workers, began construction of a palisaded community that included barracks, a church, workshops, residences, and a sheltered area for Indigenous visitors. This community was abandoned and burned down in 1649.

After extensive archaeological and historical research, Sainte-Marie among the Hurons is now recreated on its original site, where the mission's compelling story is brought to life with costumed historical interpreters and activities. Experience the earliest lifestyle of Europeans in Canada. Complete your experience by exploring our interpretive museum and themed gift shop.

Dan Hill - is an international music industry legend and one of Canada's most distinguished, authentic, and multi-talented artists: Grammy-winner, five time-Juno Award winner, Harold Moon Award, and inducted into the venerated Canadian Songwriters Hall of Fame Award . Dan is known for his heartfelt sensibility on two massive international hits, Sometimes When We Touch, recognized as one of the Top 100 Songs of the Century and one of Top 100 Most Played Songs of All Time, and Can't We Try, which spent 29 weeks on Billboard charts .

Andy Kim - In 1969, Andy co-wrote Sugar Sugar - his first Billboard #1 hit. In 1974, Andy wrote a new song called "Rock Me Gently" and absolutely no one wanted to produce it. Andy loved the song, and he wouldn't take no for an answer. He formed his own record company, called !CE, and produced the record on his own. When it was released, "Rock Me Gently" went straight to #1 on the Billboard charts and it remained on the charts for a staggering 4 months. This second #1 Billboard song added to Andy's international success.
